

## COVID Pre-appointment Questionnaire

For Dr. Mark Kupec's office

Positive responses to any of the questions below may likely indicate a deeper discussion with the dentist before proceeding with dental treatment. High risk patients would be safest seen on Monday mornings first appointment. Please know that we are taking precautions to keep both patients and staff healthy.

Do you have a fever or have you felt feverish recently (the last 14 days)?

Are you experiencing shortness of breath or other difficulties breathing?

Do you have a dry cough?

Have you had other flu- like symptoms, such as gastrointestinal upset, headache, or fatigue?

Have you experienced loss of taste or smell?

Have you been in contact with any confirmed COVID-19 positive patients?

Are you over the age of 65?

Do you have heart disease, lung disease, kidney disease, diabetes or any auto- immune disorders?

Have you traveled out of the country or on a cruise ship in the last 14 days?
